Instructions for Signatures:

- If an agent signs this form for any applicant's signature, The original or a verified copy of the document appointing the agent (e.g., power of attorney) must be attached. The power of attorney must be signed by the grantor with the grantor's signature notarized.
- If two owners of record were shown on the original title, either may sign if their names were connected by "OR." A release of interest (ITD 3377) is required from the party being removed if their names were connected by "AND."
- If the lienholder of record is applying, enter the business name with an authorized party's signature and job title.
- **The applicant's signature must be either notarized or witnessed by an assessor or deputy assessor, or it will not be processed.**
- A signature from the lienholder in Section 7 **does not** release their lien.

Instructions for Filling Out the Form:

- **Section 1 – Owner Information:** List the owner(s) to be shown on the title. At least one name on the original title must remain on the title. If any name has changed since the original title was issued, e.g., by marriage, include a signed "One and the Same Statement" (Form ITD 3125 may be used for this purpose). Enter the Idaho driver's license number or social security number for each person listed as "owner", or list the Employer Identification Number (EIN) if the owner is a business or other entity. If there are two owners, check the "OR" or "AND" box. ("OR" allows either owner to sign the application; "AND" requires all owners to sign). Check "LSR" if the owner listed is a lessor, or "LSE" if the owner listed is a lessee for a leased vehicle. Check "DBA" (doing business as) if the owner listed on that line is doing business as a company name which is listed on the following Owner Name line. For "Owner's Permanent Physical Address", list the owner's fixed, permanent, principal home address.
- **Section 2 - Vehicle/Vessel Information:** Enter the complete vehicle or hull description.
- **Section 3 – Lienholder Information:** List any lien that is to be shown on the title. This may be a lien shown on the original title or a new lien. Do not list a lien in this section if it has been satisfied or released. If a lien is listed here, the title will be sent to this lienholder at the address listed unless that lienholder has signed Section 7 and designated another recipient in Section 5.
- **Section 4 – To Release Lien on Original Title:** If there was a lien recorded on the original title and this lien has been satisfied, the lienholder may complete and sign Section 4 to release the lien. A separate release attached to the application is also acceptable. If an existing lien shown on the title record has not been released, the title will be issued with the lien and mailed to the lienholder.
- **Section 5 – Mail to Different Address:** If the title is to be mailed to a party other than the owner or lienholder, list the address in this section. Note: if there is a lienholder shown in Section 3, that lienholder must sign the form in Section 7 in order for the title to be mailed to any address shown in Section 5.
- **Section 6 – Fees Paid:** If paying by credit card, please note that charges are subject to service fees. Do not send cash. If you wish to pay by cash, please visit a county assessor's motor vehicle office to apply for title.
- **Section 7 – Owner's or Lienholder of Record's Signature with Notary:** See instructions for signatures above. It is presumed that your title has been lost unless the "illegible" or "mutilated" box has been checked, in which case attach the illegible or mutilated title.
- **Note:** Sections 1, 2, and 7 are required to be filled out completely and correctly.
