### Land Surveying/GIS Department GIS Data Disclaimer

In obtaining and using any information from the Bingham County GIS data bank, you are agreeing to the following guidelines:

Reasonable efforts have been made by Bingham County to verify that any of the GIS data accurately interprets the source data used in its preparation; however, a degree of error is inherent in GIS data. Any of the Bingham County GIS data may contain omissions and errors in scale, resolution, rectification, positional accuracy, development methodology, interpretation of source data, and other circumstances. The GIS data is date specific and is intended for use only at the published scale. The GIS data should not be used for engineering, legal, or any other site-specific use. Any GIS data is distributed "as is" without warranty of any kind.

"Please be advised that Idaho Code §74-120 prohibits using any information received from this agency, which lists persons, for use as a mailing list or telephone number list."

By signing this form you agree that this is a compilation of records being released to said parties as they appear in Bingham County. Bingham County is not responsible for any inaccuracies contained herein.
