The Fee Scheduled listed below covers all fees associated with Bingham County Juvenile Probation and Bingham County Misdemeanor Probation Services. Most of the fees included below are ordered by the Courts or are established by Idaho Code. Other fees listed are intended to help cover the cost of the services being provided. This Fee Schedule will be in effect immediately upon approval from the Bingham County Board of County Commissioners.

All of the fees associated with sending samples to Redwood Toxicology Laboratories are based on the cost of the process being requested plus additional cost for staff time to prepare the sample for shipping, materials involved in the shipping and the cost of the shipping itself. This increase is approximately \$5 added on to the Redwood charge. The cost is approximate because we rounded up to the next increment of 5. For example, if the cost to send a sample to Redwood for confirmation is \$10, then we have increased this fee to \$15 to cover the additional costs mentioned above.

Department / Process(Reason for Charge)	Fee / Amount	Comments
