ROAD MAINTENANCE NOTICE

The following county roads (subdivisions) have been scheduled for road maintenance, consisting of a Micro-Surfacing application, consisting of an asphalt emulsion & road aggregate. Work is scheduled to beginning at the following locations on the below dates:

Hallmark Estates	Friday, June 5 th , 2026
Meadow Estates	Friday, June 5 th , 2026
Jameston Estates	Monday, June 8 th , 2026
Heritage Estates	Monday, June 8 th , 2026

Work is expected to start at approximately 8:00 a.m. each day, due to the nature of the work the time is an estimate, but both subdivisions are expected to be completed at the end of the day on both dates. If for some reason the work is not able to begin as scheduled, notification to the effected streets & subdivision will be notified of any changes of service dates. Please plan your day accordingly, it is suggested that you park your vehicle out of the area of work prior to 8:00 a.m. on the dates given for your particular area. Once the Micro-Surfacing material is laid it will require 3 to 4 hours of drying to be ready for traffic. Take notice that the material can stain your car, carpets, floors, children and pets. So please keep children and pet away from the area while work is in progress. Please do not wash cars or water lawns on the day of the schedule work to prevent staining.

In the event of a true emergency, first responder vehicles will have access at all times. Scheduled trash pick up days should not be impacted during the course of this work.

It is the workers' intention to protect the county road and personal property during this work and our apologies in advance for any inconveniences this work may cause.

Further notice of Road Maintenance (Micro-Sealing) is coming soon to the following areas:

Riverstone Subdivision off of Thomas Road (75 South)
