BRIDGE CLOSURE

Sand Creek Bridge

1065 East 1200 North

On **Monday, November 30th, 2026** commencement of the replacement of the Sand Creek Bridge will commence. The completion and re-opening date is expected to be **Thursday, April 1st, 2027**.

During these dates the bridge will be closed and no through traffic from either side of the bridge location will be allowed. Alternative routes for the duration of construction will have to be taken. Therefore, detour routes have been developed and will be posted with road signage on both sides of Baseline Road (1200 North) prior to the beginning of the construction.

Bingham County apologizes for any inconvenience this may cause but the age and condition requires it to be replaced for safety of the county residents and the traveling public.

If anyone has any questions or inquiries, please contact the Bingham County Public Works Office at 245 North 690 West, Blackfoot, Idaho or call (208) 782-3173 or 785-3865.
